

ICS VIRTUAL TOWN HALL FOR INTERPRETERS

WANTED: MOTIVATED SIGN LANGUAGE INTERPRETERS LOOKING TO SPARK CHANGE IN THE PROFESSION! Join us at **Inclusive Communication Services (ICS)**, where we're on a mission to make a real impact in accessibility!

We're not your average agency – **our roots are in freelance interpreting**, just like yours. We strive to understand the challenges you face with increasing service demand, changing billing policies, and out-of-touch agencies!

Join ICS on **Thursday, January 4th at 7pm to 8:30pm EST**

That's why we're thrilled to invite you to our **first Inclusive Town Hall!** It's not another snooze sesh; it's a platform where professional interpreters can come together to share common challenges, discuss appropriate solutions, and take collective action. We welcome interpreters who have **worked with ICS or are currently located in the tri-state area** to join this virtual event.

Our mission is to create impactful, positive change - not just for us but for the Deaf community we serve. **Ready to join the inclusive movement?** Fill out our registration form, and we'll send over the event link and details. Let's unite to make a difference in these challenging times. We can't wait to connect with you and be a force for change in our profession!
